

CHAPTER 122**COUNTY COMMISSIONS OF VETERAN AFFAIRS
— ACTIVITIES REPORTING***S.F. 254*

AN ACT requiring the preparation of a report by the department of veterans affairs relating to the activities of county commissions of veteran affairs.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. Section 35A.5, Code 2009, is amended by adding the following new subsection: NEW SUBSECTION. 15. Annually, by August 31, prepare and submit a report to the governor and the general assembly relating to county commissions of veteran affairs. Copies of the report shall also be provided to each county board of supervisors and to each county commission of veteran affairs by electronic means. Pursuant to section 35B.11, the department may request any information necessary to prepare the report from each county commission of veteran affairs. The report shall include all of the following:

- a. Information related to compliance with the training requirements under section 35B.6 during the previous calendar year.
- b. The weekly operating schedule of each county commission of veteran affairs office maintained under section 35B.6.
- c. The number of hours of veterans' services provided by each county commission of veteran affairs executive director or administrator during the previous calendar year.
- d. Population of each county, including the number of veterans residing in each county.
- e. The total amount of compensation, disability benefits, or pensions received by the residents of each county under laws administered by the United States department of veterans affairs.
- f. An analysis of the information contained in paragraphs "a" through "e", including an analysis of such information for previous years.

Approved May 22, 2009

CHAPTER 123**ECONOMIC DEVELOPMENT FINANCIAL
ASSISTANCE PROGRAMS — MISCELLANEOUS CHANGES***S.F. 344*

AN ACT relating to the requirements of certain financial assistance programs administered by the department of economic development including a reorganization of the grow Iowa values fund and creating a grow Iowa values financial assistance program.

Be It Enacted by the General Assembly of the State of Iowa:

**DIVISION I
GROW IOWA VALUES FUND REORGANIZATION**

Section 1. NEW SECTION. 15G.108A DEFINITIONS.

For purposes of this chapter, unless the context otherwise requires:

1. "Base employment level" means the number of full-time equivalent positions at a busi-

ness, as established by the department and a business using the business's payroll records, as of the date a business applies for financial assistance under the program.

2. "Benefit" means nonwage compensation provided to an employee. Benefits typically include medical and dental insurance plans, pension, retirement, and profit-sharing plans, child care services, life insurance coverage, vision insurance coverage, disability insurance coverage, and any other nonwage compensation as determined by the board.

3. "Board" means the Iowa economic development board.

4. "County wage" means the county wage calculation performed by the department pursuant to section 15G.112, subsection 3.

5. "Created job" means a new, permanent, full-time equivalent position added to a business's payroll in excess of the business's base employment level.

6. "Department" means the department of economic development.

7. "Financial assistance" means assistance provided only from the funds, rights, and assets legally available to the department pursuant to this chapter and includes but is not limited to assistance in the form of grants, loans, forgivable loans, and royalty payments.

8. "Fiscal impact ratio" means a ratio calculated by estimating the amount of taxes to be received from a business by the state and dividing the estimate by the estimated cost to the state of providing certain financial incentives to the business, reflecting a ten-year period of taxation and incentives and expressed in terms of current dollars. For purposes of the grow Iowa values financial assistance program, "fiscal impact ratio" does not include taxes received by political subdivisions.

9. "Full-time equivalent position" means a non-part-time position for the number of hours or days per week considered to be full-time work for the kind of service or work performed for an employer. Typically, a full-time equivalent position requires two thousand eighty hours of work in a calendar year, including all paid holidays, vacations, sick time, and other paid leave.

10. "Fund" means the grow Iowa values fund created in section 15G.111.

11. "Maintenance period" means the period of time between the project completion date and maintenance period completion date.

12. "Maintenance period completion date" means the date on which the maintenance period ends.

13. "Project completion date" means the date by which a recipient of financial assistance has agreed to meet all the terms and obligations contained in an agreement with the department as described in section 15G.112, subsection 1, paragraph "d".

14. "Project completion period" means the period of time between the date financial assistance is awarded and the project completion date.

15. "Qualifying wage threshold" means the county wage or the regional wage, as calculated by the department pursuant to section 15G.112, subsection 3, whichever is lower.

16. "Regional wage" means the regional wage calculation performed by the department pursuant to section 15G.112, subsection 3.

17. "Retained job" means a full-time equivalent position, in existence at the time an employer applies for financial assistance which remains continuously filled or authorized to be filled as soon as possible and which is at risk of elimination if the project for which the employer is seeking assistance does not proceed.

Sec. 2. Section 15G.111, Code 2009, is amended to read as follows:

15G.111 APPROPRIATIONS GROW IOWA VALUES FUND — APPROPRIATION — ALLOCATION OF FUND MONEYS.

1. a. For the fiscal period beginning July 1, 2007, and ending June 30, 2015, there is appropriated each fiscal year from the grow Iowa values fund created in section 15G.108, the following amounts for the purposes designated:

(1) For each fiscal year of the fiscal period beginning July 1, 2007, and ending June 30, 2009, to the department of economic development thirty million dollars for the following programs administered by the department:

~~(a) The targeted small business financial assistance program established pursuant to section 15.247.~~

~~(b) The community economic betterment program established pursuant to section 15.317.~~

~~(c) The entrepreneurial ventures assistance program established pursuant to section 15.339.~~

~~(d) The value-added agricultural products and processes financial assistance program established pursuant to section 15E.111.~~

~~(e) The physical infrastructure financial assistance program established pursuant to section 15E.175.~~

~~(f) The loan and credit guarantee program established pursuant to section 15E.224.~~

~~(2) For each fiscal year of the fiscal period beginning July 1, 2009, and ending June 30, 2015, to the department of economic development thirty-two million dollars for the following programs administered by the department:~~

~~(a) The targeted small business financial assistance program established pursuant to section 15.247.~~

~~(b) The community economic betterment program established pursuant to section 15.317.~~

~~(c) The entrepreneurial ventures assistance program established pursuant to section 15.339.~~

~~(d) The value-added agricultural products and processes financial assistance program established pursuant to section 15E.111.~~

~~(e) The physical infrastructure financial assistance program established pursuant to section 15E.175.~~

~~(f) The loan and credit guarantee program established pursuant to section 15E.224.~~

~~b. Each year that moneys are appropriated under this subsection, the department shall allocate a percentage of the moneys for each of the following types of activities:~~

~~(1) Business start-ups.~~

~~(2) Business expansion.~~

~~(3) Business modernization.~~

~~(4) Business attraction.~~

~~(5) Business retention.~~

~~(6) Marketing.~~

~~(7) Research and development.~~

~~c. The department shall require an applicant for moneys appropriated under this subsection to include in the application a statement regarding the intended return on investment. A recipient of moneys appropriated under this subsection shall annually submit a statement to the department regarding the progress achieved on the intended return on investment stated in the application. A recipient of moneys appropriated under this subsection shall also annually submit a statement to the department regarding the type and amount of funds spent on any major maintenance, repair, or renovation of any new or existing building. The department, in cooperation with the department of revenue, shall develop a method of identifying and tracking each new job created and the leveraging of moneys through financial assistance from moneys appropriated under this subsection. The department of economic development shall identify research and development activities funded through financial assistance from not more than ten percent of the moneys appropriated under this subsection, and, instead of determining return on investment and job creation for the identified funding, determine the potential impact on the state's economy. The department's annual project status report satisfies the reporting requirement contained in this section.~~

~~d. The department may use moneys appropriated under this subsection to procure technical assistance from either the public or private sector, for information technology purposes, for a statewide labor shed study, and for rail, air, or river port transportation-related purposes. The use of moneys appropriated for rail, air, or river port transportation-related purposes must be directly related to an economic development project and the moneys must be used to leverage other financial assistance moneys.~~

e. Of the moneys appropriated under this subsection, the department may use up to one and one-half percent for administrative purposes.

f. The Iowa economic development board shall approve or deny applications for financial assistance provided with moneys appropriated under this subsection. In providing such financial assistance, the board shall, whenever possible, coordinate the assistance with other programs administered by the department of economic development, including the community economic betterment program established in section 15.317 and the value-added agricultural products and processes financial assistance program established in section 15E.111.

g. It is the policy of this state to expand and stimulate the state economy by advancing, promoting, and expanding biotechnology industries in this state. To implement this policy, the Iowa economic development board shall consider providing assistance to projects that increase value-added income to individuals or organizations involved in agricultural business or biotechnology projects. Such a project need not create jobs specific to the project site; however, such a project must foster the knowledge and creativity necessary to promote the state's agricultural economy and to increase employment in urban and rural areas as a result.

2. a. For the fiscal period beginning July 1, 2005, and ending June 30, 2015, there is appropriated each fiscal year from the grow Iowa values fund created in section 15G.108 to the department of economic development

1. FUND CREATED. A grow Iowa values fund is created in the state treasury under the control of the department of economic development consisting of the following:

a. The moneys appropriated to the department pursuant to section 15G.110.

b. Payments of interest, repayments of moneys loaned, and recaptures of grants and loans made pursuant to this chapter.

c. All moneys accruing to the department, including payments of interest, repayments of moneys loaned, royalty payments received, and recaptures of grants, loans, or other forms of financial assistance provided to recipients, from the department's administration of the following preexisting programs:

(1) The community economic betterment program established pursuant to section 15.317, Code 2009.

(2) The entrepreneurial ventures assistance program established pursuant to section 15.339, Code 2009.

(3) The value-added agricultural products and processes financial assistance program established pursuant to section 15E.111, Code 2009.

(4) The physical infrastructure assistance program established pursuant to section 15E.175, Code 2009.

(5) The loan and credit guarantee program established pursuant to section 15E.224, Code 2009.

2. FUND ADMINISTRATION.

a. The department shall administer the fund consistent with the provisions of this chapter and with other pertinent Acts of the general assembly, including providing financial assistance awards pursuant to section 15G.112.

b. Moneys credited to the fund are not subject to section 8.33. Notwithstanding section 12C.7, interest or earnings on moneys in the fund shall be credited to the fund.

c. Of the moneys accruing to the fund pursuant to subsection 1, paragraph "c", the department, with the approval of the board, may allocate an amount necessary to fund administrative and operations costs. An allocation pursuant to this section may be made in addition to any allocations made pursuant to subsection 4, paragraph "a".

3. APPROPRIATION. For each fiscal year of the fiscal period beginning July 1, 2009, and ending June 30, 2015, there is appropriated from the fund to the department of economic development for purposes of making expenditures pursuant to this chapter fifty million dollars.

4. DEPARTMENTAL PURPOSES. Of the moneys appropriated to the department pursuant to subsection 3, the department shall allocate thirty-two million dollars each fiscal year as follows:

a. For administrative costs, an amount not more than one and one-half percent¹ of the moneys subject to allocation under this subsection.

b. For awards of financial assistance pursuant to section 15G.112, an amount approved by the board.

c. For marketing proposals pursuant to section 15G.109, an amount approved by the board.

d. For a statewide labor shed study conducted in coordination with the department of workforce development, an amount approved by the board.

e. For responding to opportunities and threats, as described in section 15G.113, an amount approved by the board.

f. For procuring technical assistance from either the public or private sector and for information technology purposes, an amount approved by the board.

g. For covering existing guarantees made under the loan and credit guarantee program established pursuant to section 15E.224, Code 2009, an amount approved by the board.

h. During the fiscal year beginning July 1, 2009, and ending June 30, 2010, for deposit in the renewable fuel infrastructure fund as provided in section 15G.205, two million dollars. This paragraph is repealed on July 1, 2010.

5. BOARD OF REGENTS INSTITUTIONS. Of the moneys appropriated to the department pursuant to subsection 3, the department shall allocate five million dollars each fiscal year for financial assistance to institutions of higher learning under the control of the state board of regents.

a. The financial assistance allocated pursuant to this subsection is for capacity building infrastructure in areas related to technology commercialization, for marketing and business development efforts in areas related to technology commercialization, entrepreneurship, and business growth, and for infrastructure projects and programs needed to assist in the implementation of activities under chapter 262B.

b. In allocating moneys to institutions under the control of the state board of regents, the board shall require the institutions to provide a one-to-one match of additional moneys for the activities funded with moneys appropriated under this subsection.

c. The state board of regents shall annually prepare a report for submission to the governor, the general assembly, the department, and the legislative services agency regarding the activities, projects, and programs funded with moneys appropriated ~~appropriated~~ allocated under this subsection.

b. d. The state board of regents may allocate ~~disburse~~ any moneys appropriated ~~allocated~~ under this subsection and received from the department for financial assistance to a single biosciences development organization determined by the department to possess expertise in promoting the area of bioscience entrepreneurship. The organization must be composed of representatives of both the public and the private sector and shall be composed of subunits or subcommittees in the areas of existing identified biosciences platforms, education and workforce development, commercialization, communication, policy and governance, and finance. Such financial assistance shall be used for purposes of activities related to biosciences and bio-economy development under chapter 262B, and to accredited private universities in this state.

3. For the fiscal period beginning July 1, 2005, and ending June 30, 2015, there is appropriated each fiscal year from the grow Iowa values fund created in section 15G.108 to the department of economic development

6. STATE PARKS. Of the moneys appropriated to the department pursuant to subsection 3, the department shall allocate one million dollars each fiscal year for purposes of providing financial assistance for projects in targeted state parks, state banner parks, and destination parks.

a. The department of natural resources shall submit a plan to the ~~department of economic development board~~ for the ~~proposed~~ expenditure of moneys appropriated under ~~received from the department pursuant to~~ this subsection. The plan shall focus on improving state parks, state banner parks, and destination parks for economic development purposes. The board shall approve, deny, modify, or defer proposed expenditures under the plan. Based on

¹ See chapter 184, §37 herein

the report plan submitted and the action of the board in regard to the plan, the department of economic development shall provide financial assistance to the department of natural resources for support of state parks, state banner parks, and destination parks.

b. For purposes of this subsection, “state banner park” means a park with multiple uses and which focuses on the economic development benefits of a community or area of the state.

4. ~~For the fiscal period beginning July 1, 2005, and ending June 30, 2015, there is appropriated each fiscal year from the grow Iowa values fund created in section 15G.108 to the office of the treasurer of state~~

7. CULTURAL TRUST FUND. Of the moneys appropriated to the department pursuant to subsection 3, the department shall allocate one million dollars each fiscal year for deposit in the Iowa cultural trust fund created in section 303A.4. The board of trustees of the Iowa cultural trust shall annually prepare a report for submission to the governor, the general assembly, the department, and the legislative services agency regarding the activities, projects, and programs funded with moneys allocated under this subsection.

5. ~~For the fiscal period beginning July 1, 2005, and ending June 30, 2015, there is appropriated each fiscal year from the grow Iowa values fund created in section 15G.108 to the department of economic development~~

8. COMMUNITY COLLEGES. Of the moneys appropriated to the department pursuant to subsection 3, the department shall allocate seven million dollars each fiscal year for deposit into the workforce training and economic development funds of the community colleges created pursuant to section 260C.18A.

6. a. ~~For the fiscal period beginning July 1, 2005, and ending June 30, 2015, there is appropriated each fiscal year from the grow Iowa values fund created in section 15G.108 to the department of economic development~~

9. REGIONAL FINANCIAL ASSISTANCE. Of the moneys appropriated to the department pursuant to subsection 3, the department shall allocate one million dollars each fiscal year for providing economic development region financial assistance under section 15E.232, subsections 3, 5, 6, 7, and 8, and under section 15E.233, and for providing financial assistance for business accelerators pursuant to section 15E.351.

b. ~~a.~~ Of the moneys appropriated ~~allocated~~ in this subsection, the department shall transfer three hundred fifty thousand dollars each fiscal year for the fiscal period beginning July 1, 2005 ~~2009~~, and ending June 30, 2015, to Iowa state university of science and technology, for purposes of providing financial assistance to establish small business development centers in areas of the state previously served by a small business development center, to develop business succession plans, and to maintain existing small business development centers. Of the three hundred fifty thousand dollars transferred each fiscal year pursuant to this paragraph, not more than one hundred thousand dollars shall be used for business succession activities. Financial assistance for a small business development center shall not exceed fifty thousand dollars per fiscal year and shall not be awarded unless the city or county where the center is located or scheduled to be located demonstrates the ability to obtain local matching moneys on a dollar-for-dollar basis for at least twenty-five percent of the cost of the center.

c. ~~b.~~ Of the moneys appropriated ~~allocated~~ under this subsection, the department may use up to fifty thousand dollars each fiscal year during the fiscal period beginning July 1, 2005 ~~2009~~, and ending June 30, 2015, for purposes of providing training, materials, and assistance to Iowa business resource centers.

7. a. ~~For the fiscal period beginning July 1, 2006, and ending June 30, 2009, there is appropriated for each fiscal year from the grow Iowa values fund created in section 15G.108 two million dollars for deposit in the renewable fuel infrastructure fund as provided in section 15G.205.~~

b. ~~This subsection is repealed on July 1, 2009.~~

8. ~~For the fiscal period beginning July 1, 2007, and ending June 30, 2015, there is appropriated for each fiscal year from the grow Iowa values fund created in section 15G.108 to the department of economic development~~

10. COMMERCIALIZATION SERVICES. Of the moneys appropriated to the department²

² See chapter 184, §8 herein

pursuant to subsection 3, the department shall allocate three million dollars for the purpose of providing the commercialization services described in section 15.411, subsections 2 and 3.

9. For the fiscal period beginning July 1, 2008, and ending June 30, 2015, from the moneys appropriated each fiscal year from the grow Iowa values fund created in section 15G.108, to the department for program administration pursuant to subsection 1, paragraph “a”, the department may allocate up to five million dollars to projects qualifying for assistance under the physical infrastructure financial assistance program established pursuant to section 15E.175 which, notwithstanding section 15G.112, shall not be subject to job or wage requirements. The department may allocate moneys from the grow Iowa values fund above five million dollars each year to projects qualifying for assistance under the physical infrastructure financial assistance program but such projects shall be subject to the job and wage requirements of section 15G.112.

10. Notwithstanding section 8.33, moneys that remain unexpended at the end of a fiscal year shall not revert to any fund but shall remain available for expenditure for the designated purposes during the succeeding fiscal year.²

Sec. 3. Section 15G.112, Code 2009, is amended by striking the section and inserting in lieu thereof the following:

15G.112 GROW IOWA VALUES FINANCIAL ASSISTANCE PROGRAM.

1. PROGRAM ESTABLISHED.

a. The department shall establish and administer a grow Iowa values financial assistance program for purposes of providing financial assistance from the fund to applicants. The financial assistance shall be provided from moneys credited to the grow Iowa values fund and not otherwise obligated or allocated pursuant to section 15G.111.

b. The program shall consist of the components described in subsections 4 through 9. Each fiscal year, the department, with the approval of the board, shall allocate an amount of financial assistance from the fund that may be awarded under each component of the program to qualifying applicants.

c. In making awards of financial assistance pursuant to subsections 4 and 5, the department shall calculate the fiscal impact ratio, and in reviewing each application to determine the amount of financial assistance to award, the board shall consider the appropriateness of the award to the fiscal impact ratio of the project and to other factors deemed relevant by the board.

d. For each award of financial assistance under the program, the department and the recipient of the financial assistance shall enter into an agreement describing the terms and obligations under which the financial assistance is being provided. The department may negotiate, subject to approval by the board, the terms and obligations of the agreement. An agreement shall contain but need not be limited to all of the following terms and obligations:

(1) A project completion date.

(2) A maintenance period completion date.

(3) The number of jobs to be created or retained.

(4) The amount of financial assistance to be provided under the program.

(5) An amount of matching funds from a city or county. The department shall adopt by rule a formula for determining the amount of matching funds required.

e. The department may enforce the terms and obligations of agreements described in paragraph “d”.

f. A recipient of financial assistance shall meet all terms and obligations in an agreement by the project completion date, but the board may for good cause extend the project completion date.

g. During the maintenance period, a recipient of financial assistance shall continue to comply with the terms and obligations of an agreement entered into pursuant to paragraph “d”.

h. If a business that is approved to receive financial assistance experiences a layoff within this state or closes any of its facilities within this state, the board has the discretion to reduce or eliminate some or all of the amount of financial assistance to be received. If a business has

² See chapter 184, §8 herein

received financial assistance under this part and experiences a layoff within this state or closes any of its facilities within this state, the business may be subject to repayment of all or a portion of the incentives that the business has received.

2. STANDARD PROGRAM REQUIREMENTS. In addition to the eligibility requirements of the individual program components applicable to the financial assistance sought, a business shall be subject to all of the following requirements:

a. The business shall submit to the department with its application for financial assistance a report describing all violations of environmental law or worker safety law within the last five years. If, upon review of the application, the board finds that a business has a record of violations of the law, statutes, rules, or regulations that tends to show a consistent pattern, the board shall not make an award of financial assistance to the business unless the board finds either that the violations did not seriously affect public health, public safety, or the environment, or, if such violations did seriously affect public health, public safety, or the environment, that mitigating circumstances were present.

b. The business shall not have closed, or substantially reduced, operations in one area of this state and relocated substantially the same operations in a community in another area of this state. However, this paragraph shall not be construed to prohibit a business from expanding its operation in a community if existing operations of a similar nature in this state are not closed or substantially reduced.

c. The proposed project shall not negatively impact other businesses in competition with the business being considered for assistance. The department shall make a good faith effort to identify existing Iowa businesses within an industry in competition with the business being considered for financial assistance. The department shall make a good faith effort to determine the probability that the proposed financial assistance will displace employees of the existing businesses. In determining the impact on businesses in competition with the business being considered for financial assistance, jobs created or retained as a result of other jobs being displaced elsewhere in the state shall not be considered direct jobs created or retained.

d. The business shall only employ individuals legally authorized to work in this state. In addition to any and all other applicable penalties provided by current law, all or a portion of the assistance received by a business which has received financial assistance under the program and is found to knowingly employ individuals not legally authorized to work in this state is subject to recapture by the department.

3. COUNTY AND REGIONAL WAGE CALCULATIONS.

a. In administering the financial assistance program, the department shall annually calculate a county wage and a regional wage for each county for purposes of determining the eligibility of applicants for financial assistance under the program.

(1) The county wage and the regional wage shall be an hourly wage rate based on data from the most recent four quarters of wage and employment information from the quarterly covered wage and employment data report issued by the department of workforce development.

(2) The department shall not include the value of benefits when calculating the county wage or the regional wage.

b. The county wage shall be the average of the wages paid for jobs performed in the county by employers in all employment categories except the employment categories of government, agriculture, and mining.

c. The regional wage shall be calculated as follows:

(1) Multiplying by four the county wage of a county.

(2) Adding together the county wage of each of the counties adjacent to the county.

(3) Adding the result obtained in subparagraph (1) to the result obtained in subparagraph (2).

(4) Dividing the result obtained in subparagraph (3) by the sum of the number of counties adjacent to the county plus four.

4. ONE HUNDRED THIRTY PERCENT WAGE COMPONENT.

a. In order to qualify for financial assistance under this component of the program, a business shall meet all of the following requirements:

(1) The business shall create or retain jobs as part of a project, and the jobs created or retained shall meet one of the following requirements:

(a) If the business is creating jobs, the business shall demonstrate that the jobs will pay at least one hundred percent of the qualifying wage threshold at the start of the project completion period, at least one hundred thirty percent of the qualifying wage threshold by the project completion date, and at least one hundred thirty percent of the qualifying wage threshold until the maintenance period completion date.

(b) If the business is retaining jobs, the business shall demonstrate that the jobs retained will pay at least one hundred thirty percent of the qualifying wage threshold throughout both the project completion period and the maintenance period.

(2) The business shall provide a sufficient package of benefits to each employee holding a created or retained job. The board, at the recommendation of the department, shall adopt rules determining what constitutes a sufficient package of benefits.

(3) The business shall demonstrate that the jobs created or retained will have a sufficient impact on state and local government revenues as determined by the department after calculating the fiscal impact ratio of the project.

(4) The business shall not be a retail business or a business where entrance is limited by a cover charge or membership requirement.

b. A business providing a sufficient package of benefits to each employee holding a created or retained job shall qualify for a credit against any of the one hundred thirty percent qualifying wage threshold requirements described in paragraph "a", subparagraph (1). The credit shall be calculated and applied as follows:

(1) By multiplying the qualifying wage threshold of the county in which the business is located by one and three-tenths.

(2) By multiplying the result of subparagraph (1) by one-tenth.

(3) The amount of the result of subparagraph (2) shall be credited against the amount of the one hundred thirty percent qualifying wage threshold requirement that the business is required to meet under paragraph "a", subparagraph (1).

(4) The credit shall not be applied against the one hundred percent of qualifying wage threshold requirement described in paragraph "a", subparagraph (1).

c. Notwithstanding the qualifying wage threshold requirements described in paragraph "a", subparagraph (1), if a business is also the recipient of financial assistance under another program administered by the department, and the other program requires the payment of higher wages than the wages required under this subsection, the business shall be required to pay the higher wages.

d. An applicant may apply to the board for a waiver of the qualifying wage threshold requirements of this subsection.

5. ONE HUNDRED PERCENT WAGE COMPONENT. In order to qualify for financial assistance under this component of the program, a business shall meet all of the following requirements:

a. The business shall create or retain jobs as part of a project, and the jobs created or retained shall meet one of the following qualifying wage thresholds:

(1) If the business is creating jobs, the business shall demonstrate that the jobs pay at least one hundred percent of the qualifying wage threshold at the start of the project completion period, by the project completion date, and until the maintenance period completion date.

(2) If the business is retaining jobs, the business shall demonstrate that the jobs retained will pay at least one hundred percent of the qualifying wage threshold throughout both the project completion period and the maintenance period.

b. The business shall provide a sufficient package of benefits to each employee holding a created or retained job. The board, at the recommendation of the department, shall adopt rules determining what constitutes a sufficient package of benefits.

c. The business shall demonstrate that the jobs created or retained will have a sufficient impact on state and local government revenues as determined by the department after calculating the fiscal impact ratio of the project.

d. The business shall not be a retail business or a business where entrance is limited by a cover charge or membership requirement.

6. ENTREPRENEURIAL COMPONENT.

a. In order to qualify for financial assistance under the entrepreneurial component of the program, a business shall meet all of the following requirements:

(1) The business shall be an early-stage business. For purposes of this subparagraph, “early-stage business” means a business that has been competing in a particular industry for three years or less.

(2) The business shall have consulted with and obtained a letter of endorsement from either a business accelerator approved by the department or from an entrepreneurial development organization recognized by the department.

b. Notwithstanding subsection 1, paragraph “d”, subparagraph (5), a business applying for financial assistance under the entrepreneurial component is eligible for financial assistance regardless of whether the business has received matching funds from a city or county.

c. In awarding financial assistance under the entrepreneurial component of the program, the department and the board shall give priority to businesses in those sectors of the Iowa economy with the greatest potential for growth and expansion. Sectors having such potential include but are not limited to biotechnology, recyclable materials, software development, computer-related products, advanced materials, advanced manufacturing, and medical and surgical instruments.

7. INFRASTRUCTURE COMPONENT. In order to qualify for financial assistance under the infrastructure component of the program, a business or community shall be engaged in a physical infrastructure project. For purposes of this subsection, “physical infrastructure project” means a project that creates necessary infrastructure for economic success throughout Iowa, provides the foundation for the creation of jobs, and that involves the investment of a substantial amount of capital. Physical infrastructure projects include but are not limited to projects involving any mode of transportation; public works and utilities such as sewer, water, power, or telecommunications; physical improvements that mitigate, prevent, or eliminate environmental contamination; and other similar projects deemed to be physical infrastructure by the department.

8. VALUE-ADDED AGRICULTURE COMPONENT.

a. In order to qualify for financial assistance under the value-added agriculture component of the program, a business shall be a production facility engaged in the process of adding value to agricultural products. Projects considered eligible under this subsection include but are not limited to innovative agricultural products and processes, innovative and new renewable fuels, agricultural biotechnology, biomass and alternative energy production, and organic products and emerging markets. Financial assistance is available for project development as well as project creation.

b. The board and the department shall not award financial assistance under the value-added agriculture component in an amount exceeding fifty percent of the total capital investment in a project.

c. Notwithstanding subsection 1, paragraph “d”, subparagraph (5), a business applying for financial assistance under the value-added agriculture component is eligible for financial assistance regardless of whether the business has received matching funds from a city or county.

9. DISASTER RECOVERY COMPONENT. In order to qualify for financial assistance under the disaster recovery component of the program, a business shall meet all of the following conditions:

a. The business is located in an area declared a disaster area by a federal official.

b. The business has sustained substantial physical damage and has closed as the result of a natural disaster.

c. The business has a plan for reopening that includes employing a sufficient number of the employees the business employed before the natural disaster occurred. The department shall adopt rules governing the number of employees that is sufficient under this paragraph.

d. The business will pay wages at the same level after reopening as the business paid before the natural disaster occurred.

Sec. 4. NEW SECTION. 15G.113 OPPORTUNITIES AND THREATS.

1. The department, with the approval of the board, may award financial assistance from the fund to a business, an individual, a development corporation, a nonprofit organization, an organization established in section 28H.1, or a political subdivision of this state if, in the opinion of the department, a project presents a unique opportunity for economic development in this state, or if the project addresses a situation constituting a threat to the continued economic prosperity of this state.

2. The board shall adopt rules governing the eligibility of projects for financial assistance pursuant to this section.

Sec. 5. NEW SECTION. 15G.114 RULES.

1. The board, upon the recommendation of the department, shall adopt rules for the administration of this chapter in accordance with chapter 17A.

2. To the extent necessary, the rules shall provide for the inclusion of uniform terms and obligations in agreements between the department and the recipients of financial assistance under the grow Iowa values financial assistance program, the high quality jobs program, and the enterprise zone program. For purposes of this section, “terms and obligations” includes but is not limited to the created or retained jobs, qualifying wage thresholds, project completion dates, project completion periods, maintenance periods, and maintenance period completion dates that are applicable to the grow Iowa values financial assistance program, the high quality job creation program, and the enterprise zone program.

Sec. 6. NEW SECTION. 15G.115 APPLICATIONS — ADVISORY BODY RECOMMENDATIONS — FINAL BOARD ACTIONS.

1. The department shall accept and process applications for financial assistance under the grow Iowa values financial assistance program. After processing the applications, the department shall prepare them for review by advisory committees and for final action by the board as described in this section.

2. a. Each application from a business for financial assistance under the grow Iowa values financial assistance program shall be reviewed by the due diligence committee established by the board pursuant to section 15.103, subsection 6. The due diligence committee shall make a recommendation on each application to the board.

b. Each application from a business for financial assistance under the value-added agriculture component of the grow Iowa values financial assistance program shall be reviewed by the agricultural products advisory council established in section 15.203, which shall make a recommendation on each application to the board.

3. In overseeing the administration of the grow Iowa values fund and grow Iowa values financial assistance program pursuant to this chapter, the board shall do all of the following:

a. At the first scheduled meeting of the board after the start of a new fiscal year, take final action on all of the following:

(1) The department’s recommendations for the annual fiscal year allocation of moneys in the fund, as provided in section 15G.111, subsection 4. The board may adjust the allocation of moneys during the fiscal year as necessary.

(2) The department’s recommendations for the allocation of moneys among the program components referred to in section 15G.112, subsection 1, paragraph “b”. The board may adjust the allocation of moneys during the fiscal year as necessary.

b. Consider the recommendation of the due diligence committee and the agricultural products advisory council on each application for financial assistance, as described in subsection 2, and take final action on each application.

c. Take final action on the required plans for proposed expenditures submitted by the entities receiving moneys allocated under section 15G.111, subsections 5 through 8.

d. Take final action on any rules recommended by the department for the implementation of the provisions of this chapter.

Sec. 7. Section 260G.6, Code 2009, is amended to read as follows:

260G.6 PROGRAM CAPITAL FUNDS ALLOCATION FUND ESTABLISHED — ALLOCATION OF MONEYS.

1. An accelerated career education fund is established in the state treasury under the control of the department of economic development consisting of moneys appropriated to the department for purposes of funding the cost of accelerated career education program capital projects.

2. Projects funded pursuant to this section shall be for vertical infrastructure as defined in section 8.57, subsection 6, paragraph “c”.

3. If moneys are appropriated by the general assembly to support program capital costs, the moneys shall be allocated according to rules adopted by the department of economic development pursuant to chapter 17A.

4. In order to receive such moneys pursuant to this section, a program agreement approved by the community college board of directors must shall be in place, program capital cost requests shall be approved by the Iowa economic development board created in section 15.103, program capital cost requests shall be approved or denied not later than sixty days following receipt of the request by the department of economic development, and employer contributions toward program capital costs shall be certified and agreed to in the agreement.

Sec. 8. Sections 15.315 through 15.325, 15.338, 15.339, 15E.111, 15E.112, 15E.175, 15E.221 through 15E.227, and 15G.108, Code 2009, are repealed.

Sec. 9. FUND AND ACCOUNT BALANCE TRANSFERS.

1. Notwithstanding any provision of law to the contrary, effective July 1, 2009, the unencumbered or unobligated balance remaining in any of the funds or accounts associated with the following programs on June 30, 2009, shall be transferred to the grow Iowa values fund established in section 15G.112:

- a. The community economic betterment program established pursuant to section 15.317.
- b. The entrepreneurial ventures assistance program established pursuant to section 15.339.
- c. The value-added agricultural products and processes financial assistance program established pursuant to section 15E.111.
- d. The physical infrastructure financial assistance program established pursuant to section 15E.175.

e. The loan and credit guarantee program established pursuant to section 15E.224.

2. If any moneys in the loan and credit guarantee fund established pursuant to section 15E.227 are obligated or encumbered at the close of the fiscal year ending June 30, 2009, but subsequently become unencumbered or otherwise cease to be obligated, such moneys shall be transferred to the grow Iowa values fund established in section 15G.112 as soon as practicable.

3. Effective July 1, 2009, all unencumbered and unobligated moneys appropriated to the department of economic development pursuant to 2008 Iowa Acts, chapter 1179, section 1, subsection 5, and 2008 Iowa Acts, chapter 1179, section 9, subsection 2, shall be transferred to the accelerated career education fund established in section 260G.6, subsection 1.³

Businesses that have wage scales substantially below that of existing Iowa businesses in that area should be rated as providing the lowest quality of jobs and should therefore be given the lowest ranking for providing such assistance.
 - b. The impact of the proposed project on other businesses in competition with the business being considered for assistance. The department shall make a good faith effort to identify existing Iowa businesses within an industry in competition with the business being considered for assistance. The department shall make a good faith effort to determine the probability that the proposed financial assistance will displace employees of the existing businesses. In deter-

mining the impact on businesses in competition with the business being considered for assistance, jobs created or retained as a result of other jobs being displaced elsewhere in the state shall not be considered direct jobs created or retained.

c. The economic impact to the this state of the proposed project. In measuring the economic impact, the department shall place greater emphasis on projects which have greater consistency with the state strategic plan than other projects. Greater consistency may include any or all of demonstrate the following:

- (1) A business with a greater percentage of sales out-of-state or of import substitution.
- (2) A business with a higher proportion of in-state suppliers.
- (3) A project which would provide greater diversification of the state economy.
- (4) A business with fewer in-state competitors.
- (5) A potential for future job growth.
- (6) A project which is not a retail operation.

d. ~~If a business has, within three years of application for assistance, acquired or merged with an Iowa corporation or company and the business has made a good faith effort to hire the workers of the acquired or merged company.~~

e. ~~Whether a business provides for a preference for hiring residents of the state, except for out-of-state employees offered a transfer to Iowa.~~

f. ~~Whether all known required environmental permits have been issued and regulations met before moneys are released.~~

Sec. 13. Section 15.330, subsection 4, Code 2009, is amended to read as follows:

4. ~~A business creating fifteen or fewer new high quality jobs shall have up to three years to complete a project and shall be required to maintain the jobs for an additional two years. A business creating sixteen or more new high quality jobs shall have up to five years to complete a project and shall be required to maintain the jobs for an additional two years. A project completion date, a maintenance period completion date, the number of jobs to be created or retained, or certain other terms and obligations described in section 15G.112, subsection 1, paragraph "d", as the department deems necessary in order to make the requirements in project agreements uniform. The department, with the approval of the board, may adopt rules as necessary for making such requirements uniform. Such rules shall be in compliance with the provisions of this part and with the provisions of chapter 15G.~~

Sec. 14. Section 15.331A, subsection 2, Code 2009, is amended by adding the following new paragraph:

NEW PARAGRAPH. c. The eligible business shall inform the department of revenue in writing within two weeks of project completion. For purposes of this section, "project completion" means the first date upon which the average annualized production of finished product for the preceding ninety-day period at the manufacturing facility operated by the eligible business is at least fifty percent of the initial design capacity of the facility.

Sec. 15. Section 15.333, subsection 1, unnumbered paragraph 1, Code 2009, is amended to read as follows:

An eligible business may claim a tax credit equal to a percentage of the new investment directly related to new jobs created or retained by the location or expansion of an eligible business under the program. The tax credit shall be amortized equally over five calendar years. The tax credit shall be allowed against taxes imposed under chapter 422, division II, III, or V, and against the moneys and credits tax imposed in section 533.329. If the business is a partnership, S corporation, limited liability company, cooperative organized under chapter 501 and filing as a partnership for federal tax purposes, or estate or trust electing to have the income taxed directly to the individual, an individual may claim the tax credit allowed. The amount claimed by the individual shall be based upon the pro rata share of the individual's earnings of the partnership, S corporation, limited liability company, cooperative organized under chapter 501 and filing as a partnership for federal tax purposes, or estate or trust. The percent-

age shall be determined as provided in section 15.335A. Any tax credit in excess of the tax liability for the tax year may be credited to the tax liability for the following seven years or until depleted, whichever occurs first.

Sec. 16. Section 15.335A, Code 2009, is amended to read as follows:

15.335A TAX INCENTIVES.

1. Tax incentives are available to eligible businesses as provided in this section. DIVISION III ENTERPRISE ZONES

Sec. 17. Section 15E.193, subsections 1 and 2, Code 2009, are amended to read as follows:

1. A business which is or will be located, in whole or in part, in an enterprise zone is eligible to receive incentives and assistance under this division if the business has not closed or reduced its operation in one area of the state and relocated substantially the same operation into the enterprise zone and if the business meets all of the following requirements:

a. Is not a retail business or a business where entrance is limited by a cover charge or membership requirement.

b. Provides all full-time employees with the option of choosing one of the following:

(1) The business pays eighty percent of both of the following:

(a) The cost of a standard medical insurance plan.

(b) The cost of a standard dental insurance plan or an equivalent plan.

(2) The business provides the employee with a monetarily equivalent plan to the plan provided for in subparagraph (1).

c. Pays an average wage that is at or greater than ninety percent of the lesser of the average county wage or average regional wage, as determined by the department. However, the wage paid by the business shall not be less than seven dollars and fifty cents per hour.

b. (1) The business shall provide a sufficient package of benefits to each employee holding a created or retained job. For purposes of this paragraph, "created job" and "retained job" have the same meaning as defined in section 15G.108A.

(2) The board, upon the recommendation of the department, shall adopt rules determining what constitutes a sufficient package of benefits.

c. The business shall pay a wage that is at least ninety percent of the qualifying wage threshold. For purposes of this paragraph, "qualifying wage threshold" has the same meaning as defined in section 15G.108A.

d. Creates or retains at least ten full-time equivalent positions and maintains them for at least ten years. For an existing business in counties with a population of ten thousand or less or in cities with a population of two thousand or less, the commission may adopt a provision that allows the business to create at least five initial jobs with the additional jobs to be added in five years. The business shall include in its strategic plan the timeline for job creation. If the existing business fails to meet the ten-job creation requirement within the five-year period, all incentives or assistance will cease immediately until the maintenance period completion date. For purposes of this paragraph, "maintenance period completion date" and "full-time equivalent position" have the same meanings as defined in section 15G.108A.

e. Makes a capital investment of at least five hundred thousand dollars. If the business will be occupying a vacant building suitable for industrial use, the fair market value of the building and land, not to exceed two hundred fifty thousand dollars, shall be counted toward the capital investment requirement. An existing business that has been operating in the enterprise zone for at least five years is exempt from the capital investment requirement of this paragraph of up to two hundred fifty thousand dollars of the fair market value, as established by an appraisal, of the building and land.

f. If the business is only partially located in an enterprise zone, the business must be located on contiguous parcels of land.

2. In addition to meeting the requirements under subsection 1, an eligible business shall provide the enterprise zone commission with all of the following:

a. The long-term strategic plan for the business which shall include labor and infrastructure needs.

b. Information dealing with the benefits the business will bring to the area.

c. Examples of why the business should be considered or would be considered a good business enterprise.

d. The impact the business will have on other businesses in competition with it. The enterprise zone commission shall make a good faith effort to identify existing Iowa businesses within an industry in competition with the business being considered for assistance. The enterprise zone commission shall make a good faith effort to determine the probability that the proposed financial assistance will displace employees of the existing businesses. In determining the impact on businesses in competition with the business being considered for assistance, jobs created or retained as a result of other jobs being displaced elsewhere in the state shall not be considered direct jobs created or retained.

e. An affidavit that it has not, within the last five years, violated state or federal environmental and worker safety statutes, rules, and regulations or if such violation has occurred that there were mitigating circumstances or such violations did not seriously affect public health or safety or the environment.

f. A report describing all violations of environmental law or worker safety law within the last five years. If, upon review of the application, the enterprise zone commission finds that a business has a record of violations of the law, statutes, rules, or regulations that tends to show a consistent pattern, the enterprise zone commission shall not make an award of financial assistance to the business unless the board finds either that the violations did not seriously affect public health, public safety, or the environment, or, if such violations did seriously affect public health, public safety, or the environment, that mitigating circumstances were present.

DIVISION IV CONFORMING AMENDMENTS

Sec. 18. Section 15.103, subsection 6, Code 2009, is amended to read as follows:

6. As part of the organizational structure of the department, the board shall establish a due diligence committee and a loan and credit guarantee committee composed of members of the

CHAPTER 124**MOTOR VEHICLE REGULATIONS —
LICENSING OF FOREIGN NATIONALS — FALSE CONVICTIONS***S.F. 356*

AN ACT relating to department of transportation administrative procedures by establishing a procedure to remove a conviction relating to the operation of a motor vehicle from a driving record based on identity theft and requiring verification of status in regards to the driver's license of a foreign national.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. Section 321.196, subsection 1, Code 2009, is amended to read as follows:

1. Except as otherwise provided, a driver's license, other than an instruction permit, chauffeur's instruction permit, or commercial driver's instruction permit issued under section 321.180, expires five years from the licensee's birthday anniversary occurring in the year of issuance if the licensee is between the ages of seventeen years eleven months and seventy years on the date of issuance of the license. If the licensee is under the age of seventeen years eleven months or age seventy or over, the license is effective for a period of two years from the licensee's birthday anniversary occurring in the year of issuance. A licensee whose license is restricted due to vision or other physical deficiencies may be required to renew the license every two years. If a licensee is a foreign national who is temporarily present in this state, the license shall be issued only for the length of time the foreign national is authorized to be present as ~~determined~~ verified by the department, not to exceed two years.

Sec. 2. NEW SECTION. 321.200A CONVICTIONS BASED UPON FRAUD.

1. If a person discovers a record of conviction for a scheduled violation under this chapter was entered by fraudulent use of the person's name or by use of other fraudulent identification, the person may, within one year of the date of the discovery of the conviction, submit a written application to the department to investigate the allegation. The department may summarily reject the application as submitted, or proceed to investigate the application. If the department investigates the application, the department may either deny the application or if the department determines the allegation is warranted, approve the application. If the department investigates the application the department shall also issue a report and findings with the decision of the department. The rejection, approval, or denial of an application is not subject to contested case proceedings or further review as provided in chapter 17A. If the application is investigated, the department shall provide the applicant with a certified copy of the decision of the department. If the department approves the application, the department shall also provide the applicant with a certified copy of the investigative report and findings. The department shall also provide certified copies of the department's decision approving or denying the application together with the investigative report and findings to the appropriate prosecuting attorney in the city or county that prosecuted the scheduled violation, and to the district court in the county that prosecuted the scheduled violation. The department may electronically provide copies of any decision approving or denying the application and the investigative report and findings, to the district court.

2. A person who discovers that a record of conviction for a scheduled violation under this chapter was entered by fraudulent use of the person's name or by use of other fraudulent identification, may bypass the application process in subsection 1, and move in district court to set aside the judgment of conviction within one year of discovery of the conviction. An applicant with an approved application under subsection 1, shall also move in district court to set aside the judgment of conviction in order to have the department expunge or alter the records of the department or rescind or modify an administrative sanction. If the district court grants the motion to set aside the judgment, the district court shall order the charging agency or official
